Subject: Arizona Chapter MOAA Scholarship Awards Program

Dear JROTC Program Head:

The Arizona Chapter of the Military Officers Association of America (MOAA) will award several monetary educational scholarships this year to graduating JROTC cadets selected from applicants attending the 17 high schools which we support. We anticipate the top scoring applicant will receive a scholarship up to double the amount of the other scholarships awarded.

With these scholarships, we hope to further the education of students who maintain a scholastic position in the upper half of their class, demonstrate qualities of leadership, good moral character and concern for their fellow man through service to others, and profess intent to serve in our nation's military forces.

You are encouraged to nominate up to two graduating JROTC students who are about to enter full-time into an accepted university, college or community college curriculum. Cadets should apply through you to the Arizona Chapter MOAA for consideration of a scholarship award. A Scholarship Committee selected from our membership will review all applications and determine recipients.

Enclosed with this letter are two copies our scholarship application form to be completed by the applicant and certified by you as the senior JROTC Instructor at your school. Please note that applications must be received by the 25th of March.

If further information is needed please contact:

Telephone: 623.533.3704

We look forward to your school's participation, and our continuing association with your JROTC Program.

Sincerely,

Colonel Robert E. Welch, U.S. Army retired
Scholarship Chair, Arizona Chapter of MOAA
